PROJECTS**

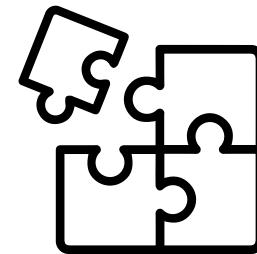

# Why choosing us?

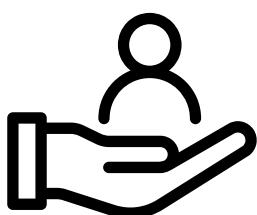

## Experience and Expertise

With decades of experience, we have the know-how to elevate your brand and help you increase your sales.

## Comprehensive Solutions

One studio, one solution – we provide a seamless experience from start to finish, ensuring every detail is perfect.

## Customized Solutions

We tailor our services to fit your brand's unique needs, delivering personalized photography solutions that showcase your products' best features.

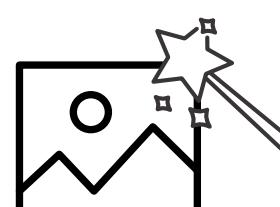

## Creative Edge

Effective solutions and strategies for your success, lead by innovative and experienced people.

## High-Quality Imagery

Our top-tier photos and videos are designed to make your products stand out, just like the big brands such as ZARA, ASOS, FARFETCH, NET-A-PORTER, and more.

## Professional Retouching

Our expert post-production team ensures every image is meticulously polished, with a fast turnaround to meet your deadlines.

With Fabusse, you are not far from achieving the same level of success as the leading global brands. Trust us to drive your e-commerce prosperity in the competitive digital marketplace.

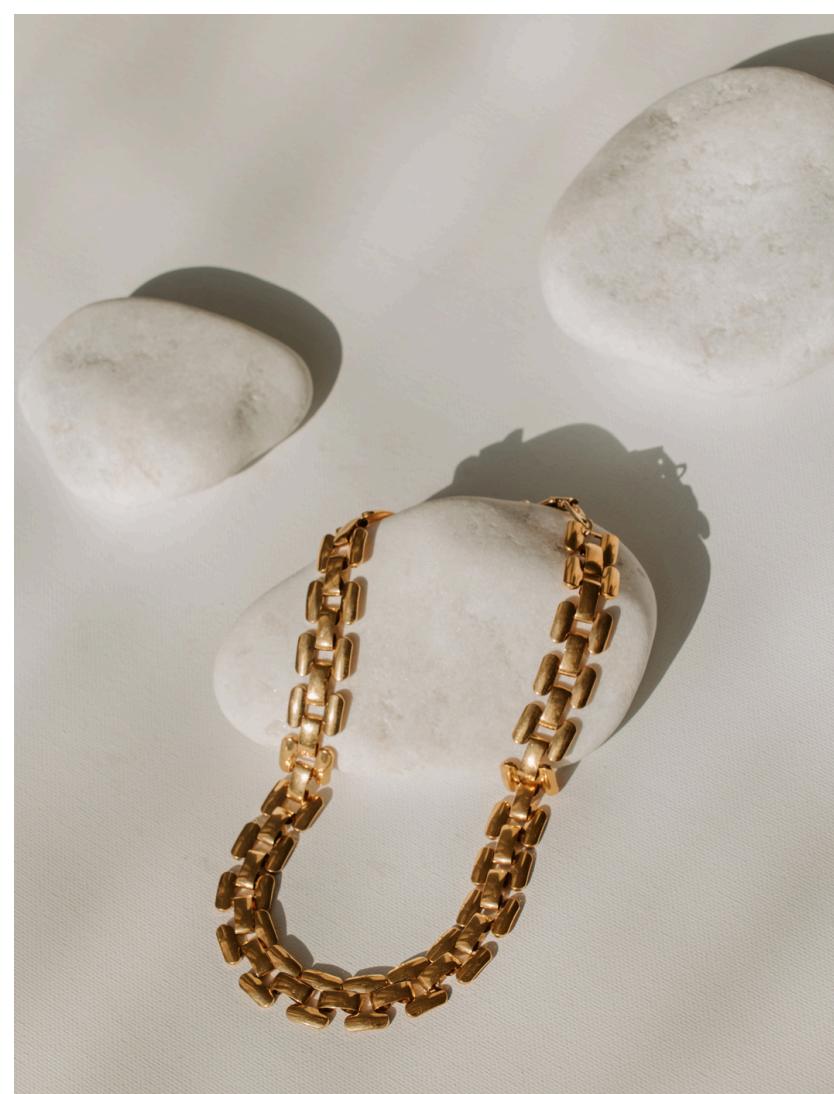

# Why E-Commerce Photography Matters?

E-commerce does not exist without product photos. We're on a mission to make the easiest way to get them on the internet.

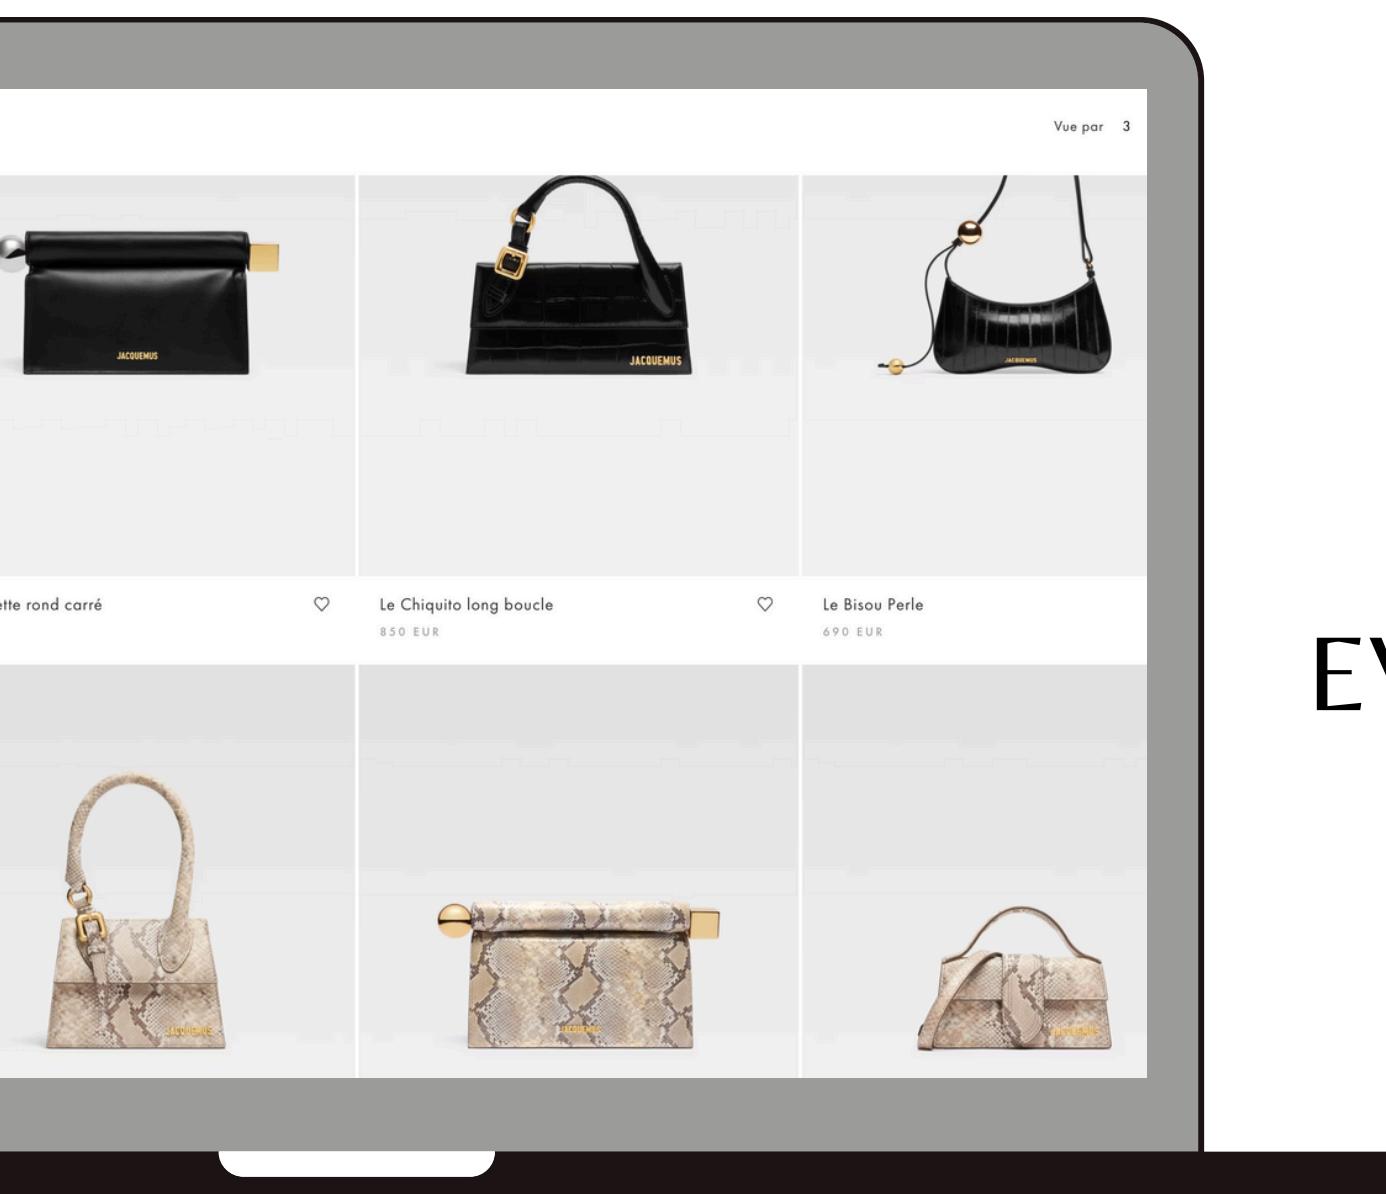

High-quality photos are crucial to capture every detail and boost customer confidence.

# Increase your sales with Fabusse's professional product photography

High-quality e-commerce photography can spell the difference between a sure buy or a hard pass.

**Image is  
EVERYTHING!**

Over 90% of e-commerce shoppers base their purchase decisions on your product shot.

**90%**

[\*\*VIDEO 2\*\*](#)

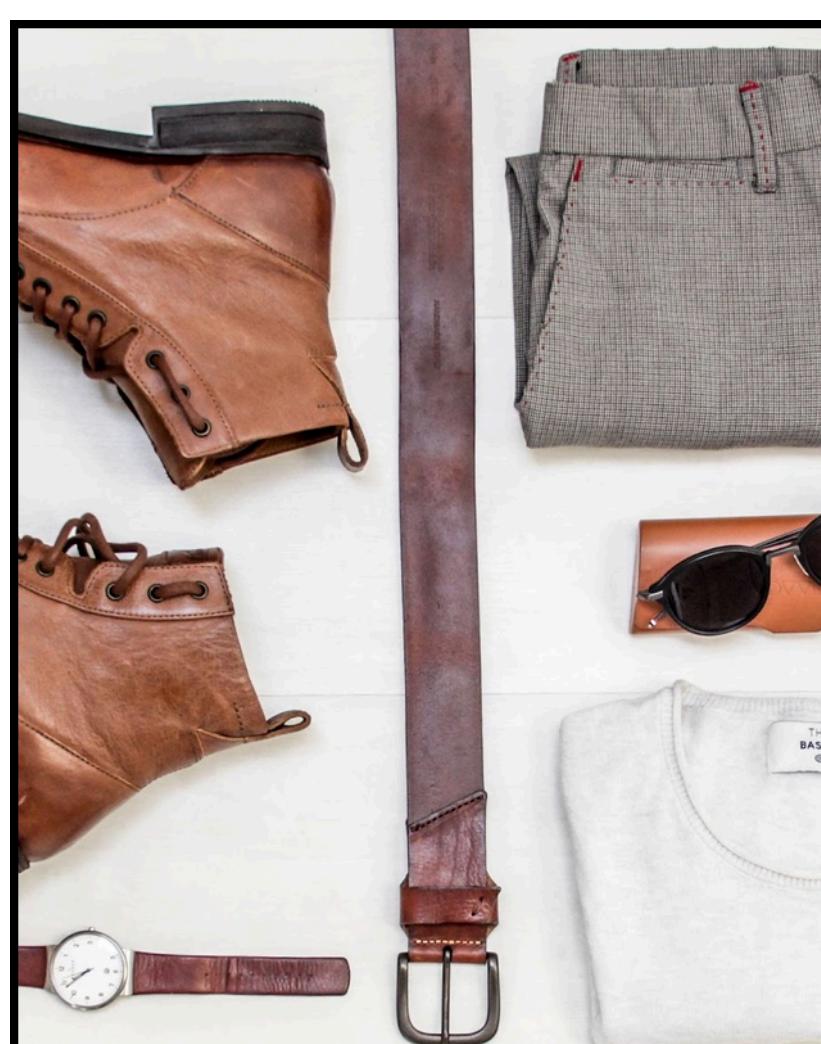

# Shoot style type 2 -

## FLAT LAY PHOTOGRAPHY

Whether creating a minimalist aesthetic or vibrant composition, our flat lay images make a lasting impression, making customers feel as if they are browsing your store in person. Our photographers tailor the style of the photo to suit the unique design of the product.

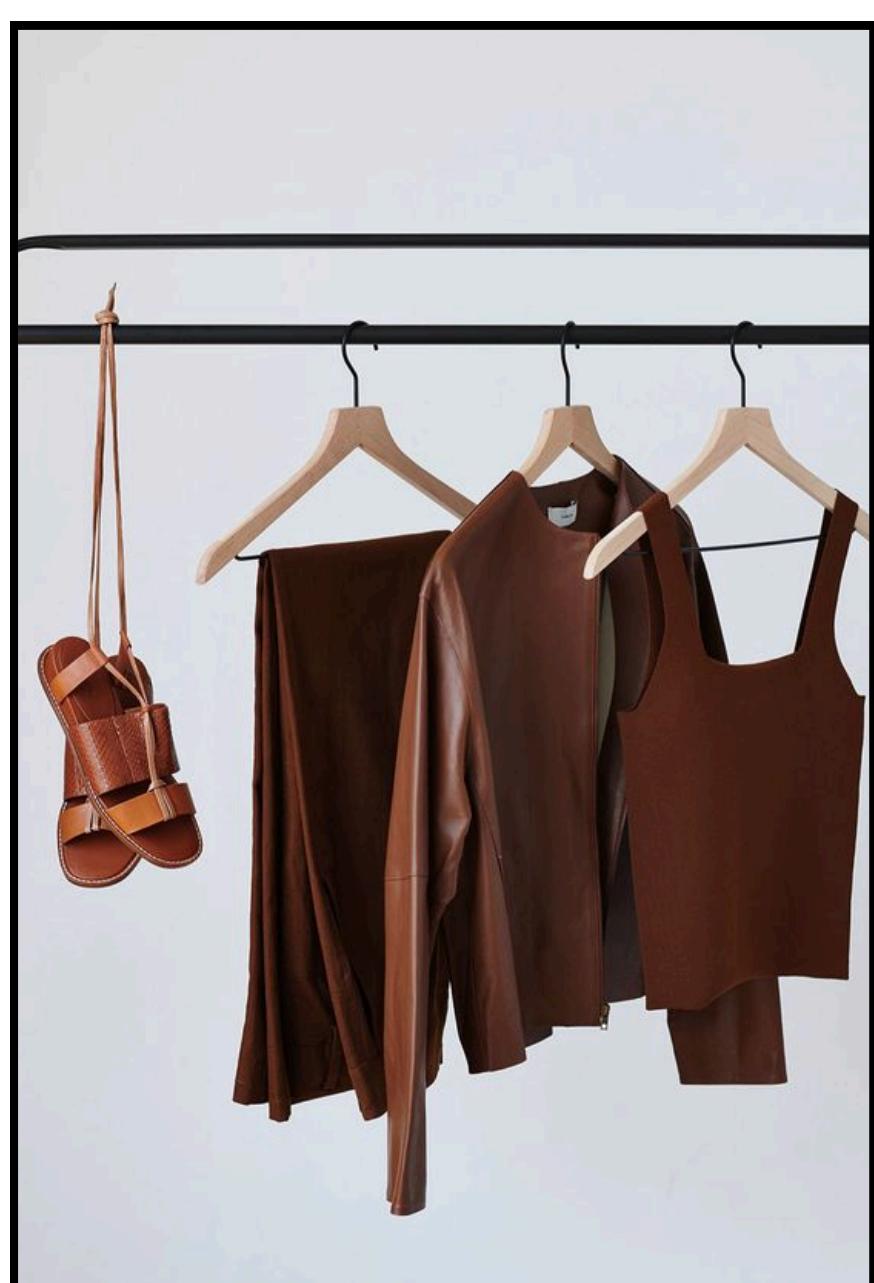

# Shoot style type 3 -

## HANGER SHOT PHOTOGRAPHY

Clean, bright, and professional hanger shots designed to captivate clients and create an irresistible product presentation.

# Shoot style type 4 -

## PACKSHOT E-COMMERCE PHOTOGRAPHY

Gives potential customers a clear idea of what the product looks like and how it works. Good Packshot photos can make or break a sale, so it's important to invest in quality images.

# Shoot style type 5 -

## 360° SPIN PRODUCT VIDEO

In a fast-paced online retail environment, customers demand more: more angles, more detail, and more of everything. Adding 360° rotations product video is the perfect solution to showcase products in every angle. By presenting the products from every perspective, it provides customers with all the benefits of in-person viewing experience with the comfort of shopping from home.

# HOW DOES IT WORK ?

## 01 INITIAL CONTACT

Contact us to discuss your needs. We will review your requirements and provide you with a quote.

## 02 APPROVAL AND INITIAL PAYMENT

Once you approve the quote, a 50% payment is required to proceed.

## 03 PRODUCT DELIVERY

You can deliver the products to our studio, or we can collect them from your location with our driver. Please provide all necessary requirements for the photo shoot

## 04 SAMPLE TESTING

You are welcome to test one piece with us.

## 05 PREPARATION OF ITEMS

We steam and/or iron items to remove unnecessary creases before the shoot.

Ensure all apparel sent to Fabusse is unworn or dry cleaned. Items must be free of stains, holes, and damages.

Additional fees may apply for removing production defects or labels.

We begin the shooting with high-quality cameras, lights, and selected models, if you chose On-Model Photography.

## 06 SHOOTING PROCESS

# HOW DOES IT WORK ?

## 07 PRODUCT RETURN

All products will be returned to the client on the second day after the photo shoot.

## 08 PROFESSIONAL RETOUCHING

The post-production begins. We provide professional retouching to photos and videos, including adjustments to light, color, and wrinkle removal.

## 09 PHOTO DELIVERY

Once the photos and videos are ready we deliver all photos on Dropbox, retouched to a high standard, and formatted as required for your website.

Photos and videos will be delivered within 48 to 96 hours after the shooting day, depending on the volume.

You can approve, and download the images from any device. You have **10 calendar days** to request edits after receiving the link.

## 10 FINAL FORMATS AND REMAINING PAYMENT

The final photographs will be delivered in high resolution at 300 dpi in JPEG or MP4 format. TIFF or MOV files are available upon request at no extra charge.

The remaining payment is due upon final delivery of the images.

## 11 BACKUP FILES

We normally keep your backup files for 3 months.

# Price List & Details

Let us manage the shooting while you focus on selling.

The image is a composite of two photographs. The top half shows a woman in a black outfit with a wide-brimmed hat and a grey coat, standing in a studio setting. The bottom half shows a screenshot of a fashion website. The website has a header with 'SHOP', 'LOOKBOOK', 'ABOUT US', 'BOHÉMIA', and 'THE SHIRT'. The main product is a black outfit with a wide-brimmed hat, priced at '\$ 495.00'. Below the price is a description: 'The voluminous cotton. Hidden texture of the fabric. Feeling of comfort.' There are dropdown menus for 'COLOR' (black, grey) and 'SIZE' (S, M, L, XL). A 'Size guide' button is also present. To the right, a 'CART' window is open, showing two items: 'COSTUME SARAH' (black, size S, \$495.00) and 'COSTUME MATH' (black, size S, \$495.00). The 'CART' window has a total of '\$990.00' and a 'CHECKOUT' button. The website has a dark footer with 'SUBTOTAL', 'SHIPPING', 'FREE', and 'CHECKOUT' buttons.
